Exhaust Systems
Last Updated 01-01-2022

As of January 1, 2009, converters in this catalog can not be sold or installed in California. By law, required CARB-compliant converters must be installed specifically as listed in this catalog, they cannot be substituted nor can they be installed on vehicles that are not listed in this catalog.

Some states prohibit the installation of Federal / EPA converters, **CLICK HERE** to determine the right aftermarket replacement converter before making your selection.
